

Chinderbahnhof

Chinderbahnhof is the first original drop-off childcare facility, in a train station, in Europe. It is managed by the S-Bahn Bern and Smallworld GmbH.

Your children will have a pleasant time with well qualified teachers in a child-friendly environment. Every month we create a new theme such as market-place, wizards, animals etc. We do handicrafts, sing and play with the children during there time in Chinderbahnhof.

General information and guidelines

Opening hours

Monday-Friday 9:00 am - 6:30 pm
Saturdays 10:00 am - 4:30 pm

We are also open certain times of the year (ex. Sunday shopping in December)
